

Isaac Ramírez

Computer Science Student

EDUCATION

Computer Engineering

Currently studying the Bachelor of Computer Engineering at the Costa Rica Institute of Technology. I have taken courses in computer science, mathematics and english
February 2023 to June 2024
(1 years, 4 months)

- I currently have an academic excellence scholarship because I have a weighted average grade above 90.
- Additionally, I have special assistance from the Tecnológico de Costa Rica for being a research assistant in the AI department. I also have a project with a professor from the Tecnológico, working on the creation of his BookDown book in R (Statistical Computing Language).

EDUCATION HISTORY

Bachelor in Secondary Education

Institution: Colegio Patriarca San José
Year of Graduation: 2022

- Graduated with a weighted average grade of 98
